Completed projects of CDA

- American Corner Batumi - American Corner Batumi is an American-style cultural center and cooperative learning environment whose purpose is to increase mutual understanding between the people of Georgia and the United States. American Corner Batumi also provides a venue for organizing events, round tables, conferences, and informal gatherings, in both real and virtual space. It also acts as a resource center for visitors to learn more about U.S. best practices in teaching, leadership training, innovation and entrepreneurship, science and technology, inclusion of people with disabilities, and civic engagement.

<https://www.facebook.com/American.Corner.Batumi/>

- Women and Girls empowerment (School) – has been implemented in cooperation with American Corner Batumi in 2016-2018. The school provided the information to young and adult women about women rights, the importance of active participation in the community, decision-making processes and many more. See photos
